

These are the 18U Friday games the 16U and 14U will be posted later tonight (Sunday) or tomorrow morning.

Be aware that these games frequently have to be changed. Teams have injuries in Colorado or wherever, coaches forget they asked for 7 games and various other issues arise every year. Any needed changes will stay as close as possible to what is originally posted. No games will be started after 2PM to allow all athletes a chance to attend the Camp up to the number we can take.
