These two games will be played at Woodbury Park in Irvine so I can fit the Sunday games into the available time frame. I will post a map as soon as I get one from the City.

All of these fields have small baseball pitching mounds behind the pitcher. The 40 foot pitching rubber is just in front of the mounds and should not affect pitchers. Because of the earlier dates this year the Irvine Baseball Leagues are not finished and they cannot remove and replace the mounds after the Friday and before the Monday games
